

Mission

Delta Dental is proud to be America's largest, most experienced provider of dental insurance. Made up of 39 independent, affiliated member companies, Delta Dental's mission is to help improve oral and overall health by emphasizing preventive care and making dental coverage more accessible and affordable, because all Americans deserve a healthy smile.

Fast facts

80+ million people receive dental coverage through Delta Dental.

Delta Dental is made up of **39 independent companies** servicing all 50 states, the District of Columbia and Puerto Rico.

Our networks **saved groups \$20.8+ billion** through unique cost control measures and contractual agreements that ensure access to care at moderate fees.

In 2019, Delta Dental processed **129.9+ million dental claims**, with a 99.76% accuracy rate.

Delta Dental serves **46.2% of Fortune 1000** companies.

Giving back to the communities we serve

At Delta Dental, we believe that everyone deserves a healthy smile, and we work closely with communities across the country each year to help people achieve that.

Over the last decade, Delta Dental companies invested over **\$1.75 billion** in the oral and overall health of communities across the country.

These investments support programs that focus on preventing dental disease, expanding access to care, advancing dental science, improving oral health care in local communities, and understanding the connections between oral and overall health.

In 2020, Delta Dental supported **over 2,400** programs, impacting **24.7 million** lives.

Public programs

17+ million enrollees in Medicare, Medicaid and other public programs receive oral health care through Delta Dental.

Delta Dental value

Delta Dental has the nation's largest network, which includes **155,000+** dentists.

Delta Dental offers groups and individuals a robust choice of dental programs all of which **protect consumers** by prohibiting dentists from balance billing, where patients cannot be billed above the maximum allowed fee.
